Female, Tri Colored, Beagle Mix.  
Rose is very friendly. She loves to cuddle with her kennel mate Missy – so she'd do well with other dogs. She walks well on a leash and is very kid friendly.

## MANNY

3 year old, Grey and White, Neutered Male, DSH. This handsome fellow will talk to you all day long if you'd let him. He loves to have his belly rubbed and he'd make an excellent companion for your cats. He is very sweet and would make an excellent family pet.

Every 1st and 3rd Friday, the **Aiken Standard** teams up with the Aiken SPCA to showcase more than a dozen healthy, loving pets who need homes. The spotlight could not shine on these animals without advertisers in the community to sponsor each pet's "Moment to Shine" in the newspaper. You can help to find homes from these animals AND advertise your business at the same time with a simple three month commitment.
